### EXPERIENCE

#### NASA Jet Propulsion Laboratory

Aug 2017 - Present

##### UI & UX Designer, Front-End Developer

Conduct user research, interviews, analysis and diagrams to help bridge the gap between multiple stakeholders' interests. Develop and design various web framework interfaces. Provide user experience and user interface critiques to a wide array of projects in JPL as a member of the UX Review Team.

*Workflow, User flow, Needs Validation, Storyboard, Mockup, Prototype, Affinity Diagram, User Interview, Sketch, Figma, Balsamiq, Technical Writing, Polymer, HTML, CSS, Javascript, Flask, Python, WebComponents, Kubernetes, Docker*

#### NASA Jet Propulsion Laboratory

Jun 2016 - Aug 2016

##### UI Designer, Software Engineering Intern

Perform full stack implementation and interface design for a responsive web application used by First Responders to perform situational analysis on live emergencies. Facilitate user-research to understand the needs of stakeholders and the system.

*Mockup, Prototype, Javascript, Node.js, Express, Passport, MongoDB, Mongoose, HTML, CSS, EJS*

#### Teradata

Jun 2015 - Mar 2016

##### Software Engineering Intern

Develop a Java application used to automate incident retrieval processes for data analysts. Design and maintain sites for an online Learning Academy. Connect and document interns as a member of the Communications Team.

*Technical Writing, Prototype, Java, CMS Design, HTML, CSS, Microsoft Office, PHP, MySQL*

#### UC San Diego

Feb 2015 - Dec 2016

##### Web Developer, Marketing Assistant

Develop and maintain sites for Global TIES, a humanitarian engineering organization. Maintain a quality, up-to-date social media presence.

*Prototype, Technical Writing, PHP, Drupal, HTML, CSS, CMS Design*

### SELECTED PROJECTS

#### Graphic Designer

Jan 2017 - Present

[www.dribbble.com/anniechn](http://www.dribbble.com/anniechn)

Graphic design endeavor with a focus towards modern, minimalist, edgy art.

*Vector, Minimalism, Illustration, Graphic Design, Affinity Designer*

#### Web Developer, UI & UX Designer

Jun 2015 - Jun 2017

[www.behance.net/gallery/64899281/Label-Fables](http://www.behance.net/gallery/64899281/Label-Fables)

Stigma awareness project seeking to encourage discussion before judgement.

*Graphic Design, Mockup, Prototype, Needfinding, User Interview, HTML, CSS, PHP, MySQL, jQuery, Javascript, Wordpress API*

### EDUCATION

#### University of California, San Diego | B.S. Computer Science

Area Study: Cognitive Science (Human-Computer Interaction) & Literature (Writing)

GPA: 3.684 of 4.00 | Provost Honors: 8 of 12 quarters
